

North York Periodontal Centre

PERIODONTICS AND IMPLANT SURGERY

OUR NEW LOOK WITH PROTECTIVE GEAR

PATIENT PROTECTION PROTOCOLS

Please wear a **MASK** before you enter the office

Please use **hand sanitizer** when you enter and leave the office

You will be asked some **screening questions** relating to COVID-19

Leave your cell phone number and **wait in the car** instead of the waiting room

We no longer have **magazines or coffee** in the reception area

Only patients with **appointments** (and essential caregivers) will be permitted in the office.

We will take your **temperature** and ask you to gargle with an **anti-viral medication**

We will maintain **Social distancing** (2 meters / 6 feet) with other patients

Increased intervals between appointments to allow for **enhanced disinfection**

Reschedule if you or anyone in your household has been **sick in the last 14 days**
